

**5TH INTERNATIONAL CONFERENCE ON SPEECH MOTOR CONTROL
NIJMEGEN, JUNE 7 – 10, 2006**

PRESENTER INFORMATION

Oral presentations

- On the first floor, on the left side of the lecture room there is a Viewing Room ('Alfrinkkamer'). In that room a laptop and LCD Screen are available for checking or preparing your presentation.
- Presenters are requested to test their Power Point presentation in the coffee break before their session. In this coffee break they are requested to introduce themselves to the session chair and they will receive further instructions from the chair.
- Presenters who will need other audiovisual equipment, like a slide projector or an overhead projector are requested to contact ms. Jacqueline Berns (j.berns@dac.ru.nl) before the conference.
- Because of the full program the time schedule will be monitored strictly. The session chairs are asked to control speaking time without consideration. Please, leave 5 minutes time for discussion.
- The session chair will give a signal when 2 minutes (keynote addresses: 5 minutes) speaking time is left.

Poster presenters

- Posters boards are 1 m wide and 2 m high (from the floor).
- Each poster board has a number, the presenters name and the title of the poster on it.
- Posters have to be placed on the poster board on the day of presentation between 8.30 and the end of the first coffee break.
- The posters will be on the poster board during the whole day
- Poster presenters should be available during the whole poster session.
